Upon review, the Board adopted a resolution approving the year-end financials and executing the Group Affidavit. The fund office will file the final report with the State.

**2016 Renewal:** As previously reported, the fund office is implementing a new data collection procedure designed to be more dynamic to provide relevant information to underwriters. Executive Director said the fund office is working with members that still need to submit complete and full underwriting data in order to present a proposed 2016 budget to be presented at the next scheduled meeting. Executive Director said the Actuary has provided loss funds based on underwriting data received to date and the Underwriting Manager has received initial rate indications for the 2016 renewal. On the Executive Director's recommendation, a sub-committee comprised of Commissioners White, Kelly and Mecouch volunteered to review the preliminary budget before it is presented at the October meeting.

### GLOUCESTER COUNTY INSURANCE COMMISSION

To: Fund Commissioners From: Michelle Leighton Date: October 22, 2015

### <u>Re: VERY IMPORTANT - Reporting of Claims to Claims Made Policies Prior to 12/31/15</u> <u>Expiration Date</u>

As a reminder, the Public Officials / Employment Practices / School Board Legal Liability Policy, Medical Professional and General Liability Policy, Employed Lawyers Policy, Crime Policy (see attached schematic for policy information) and the Cyber Liability Policies<sup>1</sup> for Gloucester County Insurance Commission and Gloucester County Utilities Authority (Policy # 017012721) as well as for Gloucester County Improvement Authority (Policy # 023064446), Gloucester County Library Commission (Policy # 024213620), and Rowan College at Gloucester County (Policy # 024200142), are set to expire on <u>12/31/15</u>. These policies or portions of these policies (with respect to the Cyber Liability Policy) are written on Claims-Made and Reported policy forms. *With this type of coverage, any claims made against you that would be covered by these policies MUST be reported during the same policy year within which the claim was received by you*. Therefore, it is required that any "claim", potential "claim" or facts and circumstances that may give rise to a claim be reported to your insurance company prior to the policy expiration.

You should refer to the terms and conditions in your complete policies for the specific reporting requirements and coverage triggers for these policies. Generally, the claims involve allegations of a <u>wrongful act</u> committed by you or your employees. In the case of the Security and Privacy Liability Coverage Section of the Cyber Liability Policy, the claims involve allegations of a <u>security failure or a privacy event</u>.

Please conduct a review "sweep" of any Public Officials / Employment Practices Liability / School Board Legal Liability, Medical Professional and General Liability, Crime, Employed Lawyers and Security and Privacy Liability claims, suits and/or incidents that you may be aware of (or anyone else in your organization) that need to be reported to the carrier prior to the expiration date of <u>12/31/15</u>. Any claim, potential "claim", or facts and circumstances that may give rise to a claim must to be reported prior to that date.

Please keep in mind that these policies are Claims Made and failure to timely report a claim (or potential claim, that you are aware of) is likely to result in a denial of coverage from the insurance carrier. Claims made policies contain reporting provisions that require an insured to place the carrier on notice within the policy period when an Insured first becomes aware of any potential claim matter. The policy period for the referenced policies is 1/1/15 to 12/31/15.

Given that the expiration of the policies fall during a holiday time period, please follow your usual claim reporting procedures, and provide notice to Hardenbergh Insurance Group no later than <u>12/16/15</u>, for reporting to Conner Strong & Buckelew no later than <u>12/19/15</u>, to ensure that any claims or notices of potential claim are reported in a timely manner, prior to expiration of the policy period.

<sup>&</sup>lt;sup>1</sup> Note that the Security and Privacy Liability Coverage Section of the Cyber Liability Policies is written on a claims made and reported basis.

Claims should be reported to Hardenbergh Insurance Group - Jenna Quattrone – jennaq@hig.net or fax 856-873-5938.

Please contact Michelle Leighton at Conner Strong & Buckelew if you have any questions or concerns. Michelle can be reached by email <u>mleighton@connerstrong.com</u> or phone at 267-702-1425.
